

# FINDING THE FINANCES

Greece here you come!

The handbook “Finding your Funding” is designed to help you in the process of preparing for your GAIN Project. Part of this preparation is discovering a group of people we call partners. These are the people who will support you, share the vision for what you are going to do and give financially towards your project.

We hope this booklet encourages you to see the many ways that you can invite other people to be part of the project and impact that you can have while you are there and beyond. The first step is letting others know what you are doing and how they can be a part. The key thing to remember is that those who know you best are most likely to get excited about what you are doing, so start with them rather than distant hopefuls. This guide will give you step-by-step instructions for finding and connecting with your partners.

## **YOUR FUNDRAISING DISCOVERY TIMELINE**

**FINAL BALANCE : £495 due 31<sup>st</sup> January 2020**

**Additional £150 for single room supplement**
